## 2023 HOME-ARP Rental Housing Workshops

You are invited to attend one of the three Department of Housing and Community Development's 2023 HOME-ARP NOFA Application Workshops that will be held in November 2023. These workshops are designed to assist eligible developers, Tribal Entities, and other organizations in HOME-ARP non-entitlement jurisdictions, in preparing a HOME-ARP application. The HOME-ARP program will provide funding for the development of affordable rental housing to benefit qualifying populations.

The workshop presentations will cover information in the NOFA, application timelines, funding levels, eligible activities, and requirements with question-and-answer sessions during the presentation and after the workshop. Workshop dates and times are listed below.

HOME-ARP NOFA staff will be available for consultations at the conclusion of the workshop to meet with you and discuss questions specific to your application.
