FOR IMMEDIATE RELEASE

Beach Trail Closures Due to Slope Movement

February 5, 2024... San Clemente, California.... Due to recent slope movement, and more rainfall forecasted, certain portions of the San Clemente Beach Trail have been closed for public safety.

- From El Portal access to Mariposa access
- From Boca Del Canon access to Lasuen access

 Trail closure areas shown in red.

The Lasuen Beach Access has also been closed for the safety of the public.

The public is reminded to please avoid any closed areas and pay attention to signage and barricades as these areas have hazards that may pose a risk to health and safety.
