10.C. CONSIDERATION OF A RESOLUTION IN OPPOSITION TO ASSEMBLY CONSTITUTIONAL AMENDMENT resolution no. 24-21

The language proposed in this resolution of opposition to Assembly Constitutional , Amendment 1 (resolution no. 24-21), does not represent the majority of San Clemente Voters, taxpayers and residents.

The intent of this Assembly Bill includes funding for public infrastructure, affordable housing, permanent supportive housing and would require a 55% majority vote to pass.

Voters, taxpayers and residents in San Clemente want to work in partnership with our Federal, State, and County Elected Officials to bring needed resources to our City. San Clemente seeks and needs those partnerships and resources to fund infrastructure and affordable housing for our working class and families.

Language such as: "horrible exceptions it would create to taxpayer protections" and "destructive, money grab attempts" are inaccurate and offensive. We as a City and the 5 of you, 4 elected to represent us on City Council, are better than this proposed oppositional resolution.

Work in partnership on best practices and solutions to our beach erosion and unstable bluffs, lack of affordable housing, mental health care and emergency services in San Clemente.

Tonite VOTE against this proposed oppositional resolution!
