CONSTRUCTION NOTICE

Subject: Ave. Vaquero Street Rehabilitation (Via Cascadita to Camino De Los Mares)

Dear Resident / Business Owner,

This notice is to inform you that work will continue next week as follows:

Re-striping the street on Wednesday, February 28 and Thursday, February 29

Please continue to place your trash, recyclables and green waste at the curb on Tuesday. Please be aware that temporary NO PARKING notices will be posted prohibiting parking on the date(s) shown on the posted signs. Work will begin each day at 8:00 a.m. and will be completed by 5:00 p.m. On the striping dates, parking will not be allowed on either side of the street. Please move your vehicle(s) to a nearby street or onto your driveway ahead of the scheduled striping work.

Residential driveway access will be available during the scheduled workdays. After the parking lane line and bike lane line striping is completed in front of your residence, you may resume parking in the street. The striping contractor, Chrisp Co., may be continuing to install striping on Friday, March 1, however, you will be able to park on the street on that day.

We apologize for your inconvenience. You will be notified again if there are delays to the above schedule due to inclement weather. If you have questions, please contact me at (949) 279-9730.

Sincerely,

Gary Voborsky
Assistant Engineer
