A request to operate an indoor golf simulator within an existing commercial suite in the Community Commercial 4 (CC4) Zoning District located at 647 Camino De Los Mares, Suite 200.

Chair Cosgrove opened the public hearing.

John Ciampa, Contract Planner, narrated a PowerPoint Presentation entitled, "Greenside Golf, CUP 23-440," dated March 20, 2024. A copy of the Presentation is on file in Planning Division.

Josh Austin and Dan Benson, applicants, described how the facility will operate, including its membership setup, hours of operation, reservation and entry details, and projected busy/down times. With regard to potential noise impacts on adjacent uses, they have already had meetings with the adjacent flower shop and massage therapy business, which are the two most likely to be affected by the noise generated, and are committed to ensure that the proposed soundproofing mitigations will be adequate.

Chair Cosgrove closed the public hearing.

During discussion the Commission discussed potential to limit the number of participants allowed during 8:00 a.m. to 5:00 p.m. to four rather than the maximum of eight due to potential parking shortages when the center is at its busiest. The majority of the Commissioners concluded that limiting the number of patrons during regular operating hours of adjacent businesses would be unfair to the applicant and unnecessary as any use proposed for this existing tenant space would likely require more spaces than this use.

IT WAS MOVED BY CHAIR PRO TEM MCCAUGHAN, SECONDED BY COMMISSIONER CRANDELL AND CARRIED 4-1-0, WITH VICE CHAIR CAMP OPPOSED, TO:

1. Determine the project is Categorically Exempt from the requirements of the CEQA pursuant to CEQA’s Guidelines Section 15301 (Class 1: Existing Facilities 14 CCR §15301); and
