Report from the Director of Community Development concerning initiating reconsideration of Council's denial of Zoning Amendment 86-05, for property located at northwest corner of Avenida Pico and Calle Los Molinas.

City Planner Barnes reviewed the contents of the Administrative Report, focusing on the background of the issue; reviewed that Council denied Zoning Amendment 86-05 on February 18, 1987; stated the Community Design Commission feels commercial development would be more appropriate than industrial development on the subject site; reviewed options available to Council in the event it wishes to pursue a zoning amendment.

Ray Giacomini, 116 Rincon Ct., felt the M-2 zone should not be changed until there are other industrial locations available to accommodate the relocation of the M-2 uses; spoke in support of a traffic study.

Greg Stuart, Vice President/Partner of Benco, stated they would like to construct a shopping center at the subject location; felt the project would be an asset to the community; commented on the significant dollars being spent on interest on the property; indicated he would support maintaining the M-2 zoning if same can be amended to allow a commercial shopping center.

Ray Campbell spoke in opposition to changing the surrounding M-2 uses; stated he would support amending the M 2 zone to allow commercial uses.

AMENDED MOTION BY COUNCILMEMBER LIMBERG, SECOND BY COUNCILMEMBER MECHAM to direct City staff to initiate a zone change on the property to allow for commercial use on site in a manner they feel to be appropriate.

During the ensuing discussion, Council clarified its intent, advising that it desires staff to expedite the necessary procedures to amend the M-2 zone to allow for C-3 uses until such time as Rancho San Clemente can accommodate alternative industrial locations for businesses currently located in the M-2 zone. Staff is to initiate a General Plan Amendment and zone change to Commercial that will track along with the Specific Plan Amendments to Rancho San Clemente.

THE AMENDED MOTION CARRIED 5-0.

It was the consensus of Council that profits from the banner sale should be used only for the citizens, such as funding public celebrations honoring the 200th anniversary of the United States Constitution.

8. ORAL COMMUNICATIONS

San Clemente Police Chief

Maj. Gen. Eugene Hudson, 1808 Avenida Salvador, Chairman for the Committee to Reinstatement Kelson McDaniel as Chief of Police, representing approximately 30 residents present in the audience, read a letter, dated July 1, 1987, from the Committee which requested Kelson McDaniel's reinstatement as Police Chief and further requested he be granted due process; presented a petition signed by 1249 residents urging Mr. McDaniel's reinstatement; requested notification in writing by July 10, 1987 of the Council's action regarding the petition.

In response to questions posed by Maj. Gen. Hudson, Council/staff advised as follows:

1. The City intends to grant Mr. McDaniel's request for a hearing to be conducted by an impartial officer and Mr. McDaniel will be afforded the option of deciding whether that hearing is to be public or private. Mr. McDaniel will be sent a letter outlining the reasons that substantiated what occurred, as well as relevant back-up material.
2. A hearing was not scheduled earlier inasmuch as the City received the rescission letter only a few days ago. Prior to that time, there was no reason to grant a hearing to an employee who had resigned. The City believes Mr. McDaniel's resignation was an informed one and that he was aware of his alternative right to a hearing.
3. Details relating to the matter cannot be revealed due to Mr. McDaniel's right to privacy and confidentiality. It was further noted that the Government Code provides that personnel matters can be held in Closed Session. City believes it would be inappropriate to respond to Maj. Gen. Hudson's question relating to the possibility of reinstatement inasmuch as a hearing will be taking place.

Council advised that information relating to the hearing will be made public as soon as possible.

Ray Campbell, 1209 La Jolla Street, indicated his opposition to Council requiring arbitrary amounts of setback on property.

Frank Denison, 504 Monterey Lane, urged that Council 1) consider hiring veterans under a Federally-sponsored program whereby the Federal Government will pay veterans' salaries over and above the minimum wage until they are hireable on a full-time basis; 2) expressed his opposition to the City's trash service not returning receptacles to their original location on the curb.

Glen Roy, 111 Granada, requested that weeds on vacant lots be mowed earlier in the year, particularly in light of the 4th of July holiday.

COUNCIL RECESSED AT 11:55 P.M. AND RECONVENED AT 12:05 A.M., WITH COUNCILMEMBER MECHAM ABSENT. (COUNCILMEMBER MECHAM RETURNED TO THE COUNCIL CHAMBERS AT 12:15 A.M.)
