### **CITY OF SAN CLEMENTE SEEKS COMMUNITY INPUT ON TWO PARK PLAYGROUND EQUIPMENT REPLACEMENTS**

*Help shape the future of play at Talega and Forster Ranch Community Parks*

8/5/2024...San Clemente, California... The Beaches, Parks & Recreation Department is excited to announce two new survey opportunities for residents to provide input on the upcoming replacement of playground equipment at Talega Park (179 Corte Cristianitos) and Forster Ranch Community Park (3207 Camino Vera Cruz). These surveys are part of the City's ongoing commitment to creating safe, fun, and engaging play spaces for children and families.

The surveys aim to gather feedback from the community on preferred types of playground equipment, design elements, and additional amenities that can enhance the overall park experience. Residents are encouraged to participate and share their ideas for both playground sites. Once the survey period is closed, the collected data will be analyzed and used to guide the selection and installation of the new playground equipment at each site.

The surveys are available online and can be accessed at the sites listed below.

- **Talega Park:** [www.tiny.cc/talegaparksurvey](http://www.tiny.cc/talegaparksurvey)

The surveys will be open through September 15, 2024. All responses are confidential and will be used solely for the purpose of planning and improving the playgrounds at Talega and Forster Ranch Parks.

In addition to completing the surveys, residents are invited to attend the public meeting of the Beaches, Parks & Recreation Commission on Tuesday, October 8, 2024, at 6 p.m. at San Clemente City Hall located at 910 Calle Negocio. This meeting will provide an opportunity for interested community members to preview initial playground concepts and provide additional input for improvements prior to approval of new playground designs.
