CITY OF SAN CLEMENTE LAUNCHES SURVEY TO SHAPE THE FUTURE OF ARTS AND CULTURE

8/7/2024...San Clemente, California... The City of San Clemente is excited to announce the launch of a new community survey aimed at gathering input on the future of arts and culture within the city. This survey will provide valuable insights for city staff and the Arts & Culture Committee, helping to shape a vibrant and dynamic cultural landscape that reflects the desires of San Clemente residents.

The voice of the community is essential in creating a thriving arts and culture scene that everyone can enjoy. Through this survey, the City seeks to hear from many residents to ensure the cultural initiatives are reflective of the diverse interests and values of San Clemente.

The survey can be accessed online at tinyurl.com/scartsculturesurvey or a paper copy is available at the following locations:

- San Clemente Community Center, 100 N. Calle Seville, San Clemente
- San Clemente Aquatics Center, 987 Ave. Vista Hermosa

The survey will be open until September 9, 2024. All responses will be used solely for the purpose of planning and enhancing arts and culture in San Clemente.

Once the survey period closes, the collected data will be analyzed and used to inform the development of an arts and culture plan for the city. This plan will guide future programming and initiatives aimed at enriching the cultural fabric of San Clemente.

For more information about the survey, please contact the Beaches, Parks & Recreation Department at (949) 361-8237 or recreation@san-clemente.org
