**FOR IMMEDIATE RELEASE**  
**9/25/2024**

### **CITY OF SAN CLEMENTE INVITES COMMUNITY INPUT FOR MUNICIPAL “MUNI” GOLF COURSE MASTER PLAN UPDATE**

9/25/2024...San Clemente, California... The City of San Clemente is excited to announce the launch of a community-wide survey as part of the comprehensive Master Plan update for the San Clemente Municipal Golf Course. We invite all residents, golfers, and community stakeholders to participate and share their valuable feedback on the future of the golf course.

The San Clemente Municipal Golf Course, a treasured local resource, is undergoing a Master Plan update to enhance the overall golfing experience, improve course features, and ensure that the course meets the evolving needs of both golfers and the community. Your input will play a critical role in shaping the future of the course, from its design and amenities to environmental sustainability and accessibility.

The survey will be available from September 25, 2024, through October 18, 2024, and can be completed online at [www.san-clemente.org/golf](http://www.san-clemente.org/golf) or in person at the golf course clubhouse. All community members are encouraged to participate, regardless of how often they use the course, as we seek a broad range of perspectives.

## **Key Areas of Focus:**

- Course improvements (greens, fairways, practice areas, etc.)
- Clubhouse amenities and services
- Sustainability and environmental responsibility
- Accessibility and inclusivity for all skill levels
- New programs and events

“We are committed to ensuring that the San Clemente Municipal Golf Course remains a top-tier facility that meets the needs of our golfers and community,” said Samantha Wylie, Beaches, Parks and Recreation Director, City of San Clemente. “Your feedback is vital in creating a well-rounded, thoughtful Master Plan that reflects the values and priorities of our residents.”

## **How to Participate:**

- Complete the online survey at [www.san-clemente.org/golf](http://www.san-clemente.org/golf).
- Pick up a paper copy at the golf course clubhouse or the San Clemente Community Center.
- Attend an upcoming community meeting to discuss the Master Plan update on November 7, 2024, at City Hall – Council Chambers (910 Calle Negocio).

For more information on the Master Plan update process or to get involved, please contact the Beaches, Parks & Recreation Department at (949) 361-8237 or [golf@san-clemente.org](mailto:golf@san-clemente.org).

Together, we can ensure that the San Clemente Municipal Golf Course remains a cornerstone of our community for years to come. Thank you for your participation!
