Exhibit C: San Clemente CDBG Target Areas

Exhibit D: Summary of Fair Housing Impediments and Actions to Address Impediments

Exhibit E: Public Notice and Summary of Public Comments

## **CR-05 - Goals and Outcomes**

### **Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)**

The City of San Clemente is a recipient of Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD). CDBG funds may be used for various activities, provided the primary beneficiaries meet HUD's definition of a low- and moderate-income individual. To receive CDBG funds, the City is required to prepare a strategic plan that identifies housing and community needs, prioritizes needs, and identifies programs and goals to address priority needs. This strategic plan is known as the Consolidated Plan. The current Consolidated Plan was approved by the City Council in May 2020 for the five years of Fiscal Year (FY) 2020-21 through FY 2024-25. On an annual basis, the City prepares an expenditure plan (the Annual Action Plan) that lists specific activities the City will carry out with CDBG funds that meet the housing and community needs identified in the Consolidated Plan. At the end of each fiscal year, the City is required to prepare an accomplishment report. This report is the Consolidated Annual Performance and Evaluation Report (CAPER). In addition to comparing planned versus actual accomplishments for the respective fiscal year, the CAPER tracks the City's progress toward meeting the 5-year goals established in the Consolidated Plan.

The 2023-2024 CAPER summarizes the CDBG-funded activities undertaken by the City from July 1, 2023, through June 30, 2024 (FY 2023-24). FY 2023-24 is the fourth year of the five years covered by the current Consolidated Plan. Accomplishment highlights for the year include the following:

- Infrastructure and Facility Improvements: CDBG funding was allocated to refurbish the fountains at Max Berg Park. During the reporting period, a consultant specializing in historic preservation was retained to prepare the required environmental review of the proposed project. Additional funding for construction was allocated to the project during FY 2024-25.
- Housing Rehabilitation: No homeowners were assisted during the reporting period.
- Public Social Services: Approximately 2,750 lower-income San Clemente residents were assisted during the reporting period.
- At-risk of Homelessness: No CDBG funding to support homelessness prevention services (e.g., case management, foodbank) was allocated during FY 2023-24.
- Administration: CDBG funds were used to provide program oversight and coordination and fair housing services to 58 households.
- The Orange County Housing Authority (OCHA) reports that it assisted 139 San Clemente households with rental assistance vouchers or certificates during the reporting period.

**Exhibit A** provides detailed expenditure and accomplishment information for FY 2023-24 CDBG activities undertaken during the reporting period.

The CARES Act of 2020 allocated \$654,596 in CDBG-Coronavirus (CDBG-CV) funds to San Clemente. The Act required that CDBG-CV funds be used to prevent, prepare for, or respond to local impacts of the Coronavirus pandemic. HUD required that the City spend 80% of CDBG-CV funds in three years and

100% in six years. In April 2023, HUD waived the 80% expenditure requirement. The City utilized all CDBG-CV funds by the conclusion of FY 2022-23 (i.e., June 30, 2023).

**Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)**

Table 1 lists the goals, categories, funding sources and amounts, goal outcome indicators, and targets/actual outcomes/outputs and percentage completed for the five-year Consolidated Plan period and FY 2023-24 (Year 4 of the Consolidated Plan).

**Table 1 - Accomplishments – Program Year & Strategic Plan to Date**

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected 5 Yr. Strategic Plan	Actual 5 Yr. Strategic Plan	Expected Program FY 23-24	Actual Program FY 23-24	Percent Complete Program FY 23-24

1. "Source/Amount" represents the total CDBG funds utilized for all Homeless Continuum of Care activities.

**Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

As summarized in Table 1, the City used CDBG funds to address the priority needs identified in the Consolidated Plan, including safety net programs for lower-income households:

- Age Well Senior Services provided case management services for homebound San Clemente seniors. Services included assessments and referrals to programs such as Meals on Wheels and homecare services. A total of 25 seniors were assisted during FY 2023-24.
- The Boys and Girls Club utilized CDBG funds to provide reduced-cost summer programming for lower-income youths. A total of 213 youths were assisted during the reporting period.
- Camino Health Center provides reduced-cost medical and pediatric dental care services for lower-income households, including the uninsured and the homeless – 2,178 San Clemente residents were served during FY 2023-24.
- The Fair Housing Foundation (FHF) provides services to overcome impediments to accessing safe and decent housing. The FHF provided outreach, education, and enforcement services for tenants, landlords, and property managers - 58 households were served during FY 2023-24.
- Fun on the Run, a City-sponsored program, provides after-school and summer recreation services for lower-income youth; 302 youths were assisted during the FY 2023-24 reporting period.
- Parentis Foundation provides reading intervention tutoring for elementary-age children. Parentis links local senior volunteer tutors with children who are not reading at grade level. During the FY 2023-24 reporting period, 27 San Clemente youths were assisted.
- Vocational Visions provided job training, placement, and job coaching services for adults with intellectual and developmental disabilities – nine San Clemente residents were assisted during the reporting period.

The City offers housing rehabilitation assistance to qualified homeowners and rental property owners. The programs aim to preserve and improve the City's existing housing stock. Improvements typically include installing new energy-efficient windows, termite treatment, new water heaters, and other housing health and safety improvements. No homeowners were assisted during the reporting period due to program staff transitions and to consider modifications to the current program. As previously reported, OCHA provided rental assistance to 139 San Clemente renter households.

As previously reported, CDBG funding was allocated to refurbish the fountains at Max Berg Park. During the reporting period, a consultant specializing in historic preservation was retained to prepare the required environmental review of the proposed project. Additional funding for construction was allocated to the project during FY 2024-25.

Accomplishments for the FY 2023-24 CDBG program are summarized in **Exhibit A**.

## **CR-10 - Racial and Ethnic composition of families assisted**

**Describe the families assisted (including the racial and ethnic status of families assisted).**

**91.520(a)**

**Table 2 – Table of assistance to racial and ethnic populations by source of funds**

	CDBG
White	2,366
Black or African American	13
Asian	53
American Indian or American Native	84
Native Hawaiian or Other Pacific Islander	8
Other *	230
<b>Total</b>	<b>2,754</b>
Hispanic	1,411
Not Hispanic	1,343

\* By default, Table 2 excludes 230 multi-racial program beneficiaries in IDIS.

### **Narrative**

According to the U.S. Census Bureau, most San Clemente residents are racially White – 77.1% (2022 *American Community Survey 5-Year Estimates*). This data source also reports that 17.1% of the City's population is Hispanic/Latino – the City's largest minority population.

Based on Table 2, approximately 86% of program participants are White; 51% are reported to be ethnically Hispanic/Latino. A closer look at the accomplishment data from individual activities provides additional insight. A significant percentage of safety net program participants, such as medical care and youth recreation services, are from lower-income Hispanic/Latino households.

Accomplishment data provided by CDBG sub-recipients also indicates that over 78% of program beneficiaries are from extremely low-income households (i.e., a household with income less than 30% of the County median income). While data from the Consolidated Plan indicates no one San Clemente minority population is disproportionately experiencing a housing cost burden (i.e., households paying more than 30% of monthly income for housing), data from Table 2 and sub-recipients indicates that, in general, lower-income San Clemente households may be economically unstable and seek services to help to stabilize their economic situation.

## **CR-15 - Resources and Investments 91.520(a)**

### **Identify the resources made available**

**Table 3 - Resources Made Available**

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	CDBG	\$395,938	\$103,594

#### **Narrative**

According to the City's 2023-24 Annual Action Plan, the City anticipated utilizing \$395,938 in CDBG program resources comprised of its 2023 CDBG Annual Allocation of \$314,259, plus \$81,679 in Prior Year Funds. The City did not anticipate receiving CDBG Program Income funds during the reporting period (i.e., Revolving Loan funds generated by the repayment of prior CDBG-funded housing rehabilitation loans). During the reporting period, the City received its 2023 CDBG grant of \$314,259 and had access to \$81,679 in Prior Year funds. Additionally, the City received \$45,146 in program income. As identified in Table 3, the City spent \$103,594 in CDBG funds during the reporting period.

In 2020, the City received \$654,596 in CDBG-CV funding in two rounds. Cumulatively, the City spent all CDBG-CV funds by the end of FY 2022-23. A detailed summary of CDBG and CDBG-CV expenditures is provided in **Exhibit B (PR26: Financial Summary Reports)**.

### **Identify the geographic distribution and location of investments**

**Table 4 – Identify the geographic distribution and location of investments**

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
CDBG Census Tracts	32	6	Census Tract Block Groups identified by HUD as eligible for CDBG-funded activities
Citywide	68	94	Citywide program or activity

#### **Narrative**

Table 4 indicates that most CDBG expenditures during the 2023-24 reporting period were used citywide. A small amount was spent within the City's CDBG-eligible area (Max Berg Park). A list of the City's CDBG-eligible areas is provided in **Exhibit C**.

## **Leveraging**

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

The City of San Clemente made an effort to leverage CDBG funds to the greatest extent possible. During the reporting period, \$293,827 in other funds were used to support activities consistent with Consolidated Plan goals:

- Homeless Outreach Services: \$293,827 – Permanent Local Housing Allocation (PLHA)

There is no requirement to match the CDBG program.

## **CR-20 - Affordable Housing 91.520(b)**

**Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.**

**Table 5 – Number of Households**

	<b>One-Year Goal</b>	<b>Actual</b>
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	6	0
Number of Special-Needs households to be provided affordable housing units	0	0
<b>Total</b>	<b>6</b>	<b>0</b>

**Table 6 – Number of Households Supported**

	<b>One-Year Goal</b>	<b>Actual</b>
Number of households supported through rental assistance	0	0
Number of households supported through the production of new units	0	0
Number of households supported through the rehab of existing units	6	0
Number of households supported through the acquisition of existing units	0	0
<b>Total</b>	<b>6</b>	<b>0</b>

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

The City did not meet planned housing rehabilitation program goals for the 2023-24 reporting period. The 2023-2024 Annual Action Plan set a one-year goal to rehabilitate six owner-occupied housing units. No homeowners were assisted during the reporting period due to program staff changes and to consider modifications to the current program to improve efficiencies.

**Discuss how these outcomes will impact future annual action plans.**

During the FY 2016-17 report period, the City undertook a comprehensive re-writing of its housing rehabilitation program. While the revised program policies and procedures were necessary to ensure program participant eligibility and proper underwriting (to protect the public's investment), some program streamlining remained necessary. During the FY 2023-24 reporting period, the City placed a hold on the program. The primary reason was program staff changes, including the retirement of the City's housing rehabilitation consultant. The retirement allowed City staff to assess the program's

effectiveness and efficiency. The City anticipates the program will be revised during FY 2024-25, with the goal to increase program efficiencies and to attract additional program participation.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

**Table 7 – Number of Households Served**

Number of Households Served	CDBG Actual	HOME Actual *
Extremely Low-income	0	0
Low-income	0	0
Moderate-income	0	0
<b>Total</b>	<b>0</b>	<b>0</b>

\* The City is not a participating jurisdiction in the HOME program.

### **Narrative Information**

Table 7 typically provides information regarding the households that received housing rehabilitation assistance during FY 2023-24. As previously noted, no homeowners were assisted during the reporting period. As previously reported, OCHA provided 139 lower-income San Clemente households with rental assistance during the 2023-24 reporting period.

The City is not a recipient of HOME funds.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

No CDBG funds were allocated during the 2023-24 reporting period for homeless outreach; however, the City used PLHA funds to provide street outreach services for persons experiencing homelessness. During the 2023-24 reporting period, the City's Homeless Outreach staff assisted 276 homeless individuals. The Orange County Sheriff and regional homeless service providers such as Family Assistance Ministries (FAM) have also established outreach programs that engage homeless families. These efforts align with the regional Continuum of Care and its outreach and assessment strategy.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

During the 2023-24 reporting period, no CDBG funds were allocated for emergency shelter or transitional housing.

### **Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The City's homeless strategy, as delineated in the Consolidated Plan, calls for providing safety net services that help prevent individuals and families from becoming homeless. To this end, during the 2023-24 reporting period, CDBG funds were allocated to safety net programs that assisted lower-income San Clemente households in maintaining shelter and meeting basic needs. Examples of safety net programs include reduced-cost medical and dental services and free or reduced-cost childcare services. OCHA reports providing rental assistance to six disabled homeless households with Continuum of Care Permanent Supportive Housing Certificates. Five formerly homeless veterans received Veterans Affairs Supportive Housing (VASH) housing vouchers, and 14 households received Emergency Housing Vouchers to address a COVID-19 impact.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

During the 2023-24 reporting period, no CDBG funding was allocated to fund permanent housing activities for homeless persons. However, as reported above, OCHA provided ten homeless households with Continuum of Care Permanent Supportive Housing Certificates, five homeless veterans received Veterans Affairs Supportive Housing (VASH), and 14 San Clemente households received Emergency Housing Vouchers to address a COVID-19 impact.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

The City of San Clemente does not own or manage public housing.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

Not applicable

### **Actions taken to provide assistance to troubled PHAs**

Not applicable

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

The 2023-2024 Annual Action Plan indicates that the City would address barriers to affordable housing by considering the following actions:

- **Housing Resources:** Inclusionary Housing in-lieu fees may be available to help nonprofit agencies purchase land or existing housing units to create long-term affordable housing opportunities.
- **Environmental Review:** City staff is available to assist property owners and developers in navigating environmental review regulations to help reduce holding costs associated with the time needed to comply with environmental reviews.
- **Planning and Development Fees:** The City typically does not offer fee waivers; however, the City Council can approve a waiver, offer deferred or reduced fees, or supplement fees with public funds for affordable housing projects.
- **Permit and Processing Procedures:** For an affordable housing project, City staff is available to interact with project sponsors to help determine project feasibility and guide a developer through the entitlement process.
- **Land Use Controls:** In general, land use controls are necessary to protect public health, safety, and welfare and maintain the quality of life. The City has implemented reasonable controls that are appropriate for the community.
- **Tax Policies:** There is no local tax.

One affordable housing development project that accessed these policies was initiated during the reporting period. The Memorial Care Senior Housing & Medical Office project will contain 250 units - 20 units for very low-income senior households. The project received a density bonus and modified development standards for height and number of stories. The project remains in the planning phase.

## **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

The City recognizes that special needs populations face challenges due to low income and their unique conditions (e.g., a disability). These factors make such individuals more likely to become homeless and often require housing and supportive services. The City considers supportive services and housing for special needs populations a priority. Supportive services are also considered a high priority in the Continuum of Care of Orange County. During FY 2023-24, the City-funded public service agencies provided a social safety net to help at-risk households. Services included access to reduced health care for lower-income San Clemente residents. Other special needs services funded during the reporting period include employment training and placement services for disabled adults.

### **Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

The Residential Lead-Based Paint (LBP) Hazard Reduction Act of 1992 changed the federal approach to addressing LBP by emphasizing preventing childhood lead poisoning through housing-based approaches. In response, the City includes lead-based paint hazard reduction as an eligible activity in its housing rehabilitation programs.

All application packets for the City's housing rehabilitation program include a notice to educate residents about the health dangers of lead and encourage screening of children for elevated blood-lead levels. All existing units are screened for lead-based paint before using federal funds. Housing units identified as having lead-based paint hazards are treated so the lead-based paint hazards are abated per federal requirements. The City's housing rehabilitation program is also designed to ensure safe work practices, as dictated by HUD, are implemented to address lead-paint hazards. As previously reported, no housing units were rehabilitated with CDBG funds during FY 2023-24.

### **Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

According to the U.S. Census Bureau, approximately 5.6% of San Clemente residents have incomes below the poverty level. This figure includes approximately 5.5% of City residents aged 65 and older and 2.4% of children under 18.<sup>[1]</sup> The Consolidated Plan and Annual Action Plan indicate that the City will support social services and housing activities for households below the poverty line in recognition that income enhancement services can help to increase household stability.

Recognizing that poverty-level households may need assistance, the City funded several activities to assist lower-income residents. For example, Camino Health Center, which provides reduced-cost medical and dental services for lower-income San Clemente residents, reports that approximately 91% of the program's FY 2023-24 beneficiaries have extremely low incomes. Age Well reports that 72% of the San Clemente seniors it served had extremely low incomes; Vocational Visions reports that 100% of the disabled San Clemente clients it served also had extremely low incomes. It is evident from this data that CDBG resources were critical resources in the community and assisted many individuals living in or near poverty.

[1.] POVERTY STATUS IN THE PAST 12 MONTHS, 2022 American Community Survey 5-Year Estimates, S1701.

### **Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

During FY 2023-24, the City continued efforts to eliminate institutional gaps and coordinate programs within the community and regionally. For example, the City partnered with local nonprofits to deliver public services. City departments also worked together to evaluate projects funded in whole or in part with CDBG funds that address priority needs. The City assisted OCHA by participating in the Cities Advisory Committee – a quarterly meeting of cities and OCHA to discuss federal rental housing assistance and regional housing issues. On a regional basis, the City supported the Orange County Continuum of Care (CoC) as it prepared the County's CoC Homeless Assistance grant application for HUD consideration.

The City also supports the CoC's efforts to develop the County's plan to end chronic homelessness and the regional discharge plan.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

As indicated above, the City participated in regional coordination of services by participating in the quarterly Cities Advisory Committee held by OCHA to discuss federal rental housing assistance issues and as a contributor to the Orange County CoC Forum. Furthermore, through its CDBG and PLHA-funded programs, the City has coordinated the delivery of social services to the community that address various needs. The City has also established relationships with residential for-profit and nonprofit developers that may be prepared to respond to local affordable housing development opportunities.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

Consolidated Plan regulations require CDBG recipients to (1) examine and attempt to alleviate housing discrimination within their jurisdiction; (2) promote fair housing choice for all persons; (3) provide opportunities for all persons to reside in any given housing development, regardless of race, color, religion, sex, disability, familial status, or national origin; (4) promote housing that is accessible to and usable by persons with disabilities; and (5) comply with the non-discrimination requirements of the Fair Housing Act. HUD encourages jurisdictions to consult with one another and initiate metropolitan-wide fair housing planning. The **Analysis of Impediments to Fair Housing Choice (AI)** is the primary document for this purpose.

During the FY 2020-21 reporting period, the City participated as one of 20 jurisdictions in preparing the Orange County 2020-2024 Analysis of Impediments to Fair Housing (OC-AI). The OC-AI identified various actions that can be implemented over five years to address regional and local barriers to fair housing. The City contracts with the Fair Housing Foundation to provide fair housing outreach, education, and enforcement services and help the City address the impediments to fair housing identified in the OC-AI. A summary of AI-related actions is provided in **Exhibit D**.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

The City's monitoring program has been designed to provide program staff with information to verify the accuracy of data supplied by sub-recipients, ensure that sub-recipients are carrying out individual activities as described in their contracts, and ensure that sub-recipients use appropriate accounting and record-keeping methods to manage CDBG funds. CDBG program policies help ensure sub-recipients receive training regarding CDBG grant management, CDBG program goals, and subrecipient obligations. For FY 2023-24, this training was held in October 2023.

On-site monitoring of sub-recipients is conducted biennially unless program or administrative issues are identified or the grant recipient is new to CDBG. The City last conducted on-site monitoring during the FY 2021-22 reporting period. FY 2023-24 monitoring is scheduled for FY 2024-25.

During the reporting period, program staff worked closely with City departments to ensure CDBG program regulations and other federal requirements were implemented. City departments and public service grant sub-recipients submit quarterly accomplishment reports. Subrecipients are also required to provide documentation to support CDBG reimbursement requests. Program staff conducts a desk monitoring of this information to ensure CDBG program compliance.

The City also made every effort to comply with CDBG and Consolidated Plan regulations. The City's Citizen Participation Plan ensures that community input is considered before undertaking a substantial amendment or submitting an annual update to HUD. It also provides residents the opportunity to review and comment on annual performance. Construction, professional service, and subrecipient agreements have been prepared to ensure compliance with applicable federal regulations. Additionally, the City has implemented an open procurement process that encourages bidding from minority and women-owned businesses.

## **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

To encourage resident participation in the City's CDBG program, the City published a notice in the *San Clemente Times* on August 29, 2024, announcing a 15-day public comment period and public hearing for the 2023-24 CAPER. The CAPER was available for public review on the City's website (<https://www.san-clemente.org/departments-services/housing-and-social-services>). An additional opportunity for public comments was availed at the September 17, 2024, San Clemente City Council meeting. A copy of this notice and a summary of written comments are provided in **Exhibit E**.

## **CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

No Consolidated Plan or action plans were amended during the reporting period.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

Not applicable

## CR-58 – Section 3

**Identify the number of individuals assisted and the types of assistance provided**

**Table 8 – Total Labor Hours**

Total Labor Hours	CDBG	HOME	ESG	HOPWA	HTF

#### Annual Accomplishments

Years	Accomplishment Narrative	# Benefitting
2023	No loans or grants were approved during the FY 23-24 reporting period due to city staffing changes. The City also evaluated the program guidelines in light of the lack of program interest. Expenditures relate to costs associated with ongoing loan portfolio monitoring and loan servicing. Also some related program admin costs. Because an accomplishment is necessary to complete an activity, RL draw downs totaling \$10,223.00 have been canceled and returned to the City's RL fund and will be drawn as Program Admin (#184). An unspent balance of \$158,419.18 will be reprogrammed (\$150,958 - 2022, \$8,048.00 - 2023 \$, plus \$7,461.18 in RL \$). The Activity is canceled.

**Initial Funding Date:** 09/25/2023

**Description:**

Fair housing outreach, education, and enforcement services, including landlord, tenant, and property management fair housing training; community outreach and education; complaint investigation and enforcement services.

A total of 58 households were assisted during the FY 23-24 report period.

Eight (8) fair housing allegations were received during the year (Physical Disability-5, Familial Status-1, Gender-1, Sexual Orientation-1).

All were resolved via counseling, except for one case that was opened for further investigation (Sexual Orientation).

Notices, lease terms, habitability, and evictions were the primary landlord-tenant issues addressed during the year.

Approximately 90% of households served are lower-income, and 31% are ethnic/racial minorities. The Activity is complete.

<b>Years</b>	<b>Accomplishment Narrative</b>	<b># Benefitting</b>
2023	CDBG funds allocated to refurbish Max Berg Park Fountain. Phase 1 of the project will cover costs associated the preparation of the project's NEPA review (including historic preservation consultation) and the preparation of the design of proposed park improvements, i.e., the restoration of four fountains that contribute to the historic nature of the park. During the FY 23-24 reporting period, consultants have started a search of records and preparing initial documents for CA-SHPO to review. It is anticipated that the NEPA review for the project will be completed by December 2024.

## City of San Clemente Analysis of Impediments to Fair Housing Summary

PROPOSED AI GOALS AND STRATEGIES	FY 2023-2024 ACCOMPLISHMENTS
<p>1) In collaboration with the OCHA:</p> <ul style="list-style-type: none"> <li>a) Attend quarterly Orange County Housing Authority (OCHA) Housing Advisory Committee to enhance the exchange of information regarding the availability, procedures, and policies related to the Housing Assistance Voucher program and regional housing issues.</li> <li>b) Support OCHA's affirmative fair marketing plan and annual PHA concentration policies by providing five-year and annual PHA plan certifications.</li> <li>c) In coordination with OCHA and fair housing services provider, conduct landlord education campaign to educate property owners about State law prohibiting discrimination based on household income.</li> </ul> <p>2) Through the City's fair housing contractor:</p> <ul style="list-style-type: none"> <li>a) Provide fair housing education and information to apartment managers and homeowner associations on why denial of reasonable modifications/accommodations is unlawful.</li> <li>b) Conduct multi-faceted fair housing outreach to tenants, landlords, property owners, realtors, and property management companies. Methods of outreach may include workshops, informational booths, presentations to community groups, and distribution of multi-lingual fair housing literature.</li> <li>c) Provide general fair housing counseling and referral services to address tenant-landlord issues, investigate allegations of fair housing discrimination, and take appropriate actions to conciliate cases or refer to appropriate authorities.</li> <li>d) Include testing/audits within the scope of work with fair housing provider.</li> </ul>	<ul style="list-style-type: none"> <li>a) City staff will attend online meetings.</li> <li>b) The City provided the PHA Plan certifications to OCHA staff upon request.</li> <li>c) California law expanded "source of income" protections to individuals who use housing rent assistance (e.g., Housing Choice Voucher) effective January 2020. The Fair Housing Foundation (FHF) is prepared to receive and address these types of complaints. FHF received 0 allegations from San Clemente residents during the FY 23-24 reporting period related to the source of income.</li> </ul> <ul style="list-style-type: none"> <li>a) The FHF received 0 inquiry regarding reasonable accommodation from a San Clemente resident during the reporting period.</li> <li>b) The FHF held or participated in 4 fair housing presentations and community meetings. It also conducted 1 Fair Housing workshop. All activities were available to San Clemente residents, landlords, and property managers. Additionally, the FHF distributed over 2,300 pieces of fair housing literature throughout San Clemente during the reporting period.</li> <li>c) The FHF assisted 58 unduplicated San Clemente households by addressing various housing issues, disputes, and inquiries. The primary issues addressed during the reporting period included habitability, notices, and rent increases. Most cases were resolved through education and counseling. During the reporting period, the FHF received 9 allegations of fair housing law violations from San Clemente residents – 6 allegations were related to physical disability, 1 pertaining to familial status, 1 regarding gender, and 1 related to sexual orientation. All allegations were resolved through counseling.</li> </ul>

## City of San Clemente Analysis of Impediments to Fair Housing Summary

PROPOSED AI GOALS AND STRATEGIES	FY 2023-2024 ACCOMPLISHMENTS
e) Regularly consult with the City's fair housing contractor on potential strategies for affirmatively furthering fair housing on an ongoing basis.	<ul style="list-style-type: none"> <li>d) FHF conducts its audits based on the most common protected classes. During FY 23-24, audits focused on national origin and limited English proficiency discrimination – no audits were conducted in San Clemente.</li> <li>e) On an annual basis, City staff discuss fair housing programming strategies regarding education and enforcement activity with the FHF.</li> </ul>
3) Support local eviction prevention strategies to reduce the number of homeless individuals and families (homelessness prevention services).	<ul style="list-style-type: none"> <li>▪ The City did <u>not</u> use CDBG funds to support services to prevent the loss of housing during FY 23-24.</li> </ul>
4) Prepare a new Housing Element that is compliant with all current State laws and is certified by the California Department of Housing and Community Development (HCD).	<ul style="list-style-type: none"> <li>▪ The City Council adopted the Housing Element on September 20, 2022, and HCD certified it on October 12, 2022.</li> </ul>
5) Update zoning ordinance to comply with current State law.	<ul style="list-style-type: none"> <li>▪ The City revised its Accessory Dwelling Unit (ADU) code to comply with current State law in FY 21-22.</li> </ul>
6) Offer a variety of housing opportunities to enhance mobility among residents of all races and ethnicities by facilitating affordable housing throughout the community through 1) flexible development standards; 2) density bonuses; and 3) other zoning tools	<ul style="list-style-type: none"> <li>▪ The City provides affordable housing project incentives for income-eligible households. The City reviews projects according to density bonus regulations, implements the Affordable Housing Overlay Zone that allows affordable housing projects in nonresidential zones and sites in the Housing Element inventory, implements the Inclusionary Housing Program, and explores HCD's website to identify a funding source for affordable housing, and meets annually with housing organizations.</li> <li>▪ In FY 22-23, the City approved the development of 250 units, including 20 units for very low-income residents. The project benefitted from a density bonus. No new activity to report during FY 23-24.</li> </ul>
7) Review the type and effectiveness of current affordable housing development incentives and amend/augment as may be necessary to increase the production of affordable housing units.	<ul style="list-style-type: none"> <li>▪ The City completed the evaluation and update of its Inclusionary Housing Program, establishing a new streamlined methodology to determine inclusionary in-lieu fees and preferences for the in-lieu fees and allocation during FY 20-21. No new activity to report during FY 23-24.</li> <li>▪ The City updated the Housing Element and implementation programs for the 2021-2029 cycle that include ongoing evaluation of incentives that may increase the production of affordable during FY 21-22. No new activity to report during FY 23-24.</li> </ul>
